

COMPONENT 3 - QUARTERLY PROJECTIONS OF SERVICE DELIVERY TARGETS AND PERFORMANCE INDICATORS FOR EACH VOTE

Service delivery targets relate to the level and standard of service being provided to the community and include targets for the reductions in backlogs of basic services. The requirement for service delivery targets is consistent with national government policy requiring the public sector to be able to measure service delivery outputs and outcomes in addition to inputs (expenditure).

QUARTERLY PROJECTIONS FOR SERVICE DELIVERY TARGETS AND OTHER PERFORMANCE INDICATORS
